QLD 3-6 YRS PRACTICAL LIFE WORKSHOP
30 January, 6 & 13 February 2027
REGISTER BY 15 JANUARY 2027

'We might even say that man "takes possession of his environment with his hands". His hands under the guidance of his intellect transform this environment and thus enable him to fulfil his mission in the world.'
Montessori, 1936, *Secret of Childhood* p. 81.

Practical Life activities cover all aspects of a child's adaption to their environment and build a child's self-esteem through engagement in purposeful work. Gain knowledge of the characteristics, aims, outcomes and presentations of the activities. Sessions will also provide opportunities for practice with the materials and gathering and sharing information and ideas.

These interactive Workshops are open to teachers, classroom assistants, students, parents and anyone working in a Montessori educational environment and wanting to use the Montessori approach and materials. Assistants may wish to attend the first two days only.
