6-12 YRS MATHEMATICS WORKSHOP
PERTH  15, 16, 29 & 30 AUGUST, 12 SEPTEMBER 2015

Education .... should no longer be thought of as imparting knowledge, but must take a new path that seeks to release the human potential within us all.  

Maria Montessori

This interactive Workshop is open to teachers, classroom assistants, students and anyone interested in teaching 6-12 yrs using the methods and materials based on Dr Maria Montessori’s philosophy. There will be detailed instruction and opportunities for practice with the specialized equipment which assists the child’s understanding of Mathematics for this age group. Sessions will also provide opportunities for gathering and sharing information and ideas.

The Montessori approach

• meets the tendency for repetition
• provides essential skills
• builds confidence
• assists children to independence

The presenter, Sheryl Ridout (Dip Teach (Early Childhood), Dip Ed(Montessori Education)), began her teaching career in 1976 as a Pre-Primary teacher in mainstream education. Her involvement in Montessori education began in 1981. Since then she has been involved in Montessori at many levels including Playgroup Coordinator, Assistant 3-6 and 6-9, Director 3-6, Director 6-9, LOTE teacher 6-12, Council Member, Co-Principal, Principal and most recently as a Director of Montessori Australia Council and a Conference Organiser.
