0-3 YRS CULTURE WORKSHOP
MELBOURNE  1 OCTOBER 2015

Education .... *should no longer be thought of as imparting knowledge, but must take a new path that seeks to release the human potential within us all.*

Maria Montessori

This interactive Workshop is open to teachers, classroom assistants, students and anyone interested in teaching 0-3yrs using the methods and materials based on Dr Maria Montessori’s philosophy. There will be detailed instruction and opportunities for practice with the specialized equipment which assists the child’s understanding of Culture for this age group. Sessions will also provide opportunities for gathering and sharing information and ideas.

The Montessori approach

- *meets the tendency for repetition*
- *provides essential skills*
- *builds confidence*
- *assists children to independence*

The presenter, Deirdre O’Reilly, has taught for the almost thirty-five years in Montessori environments in Australia, Ireland and California. She holds preprimary and primary Montessori diplomas from AMI College, Dublin, Ireland. She holds a B.Ed. (Primary) from UNE, a Master’s in Education (Special Ed.) from University of Sydney and has almost completed a Grad. Dip. Early Childhood from Macquarie University. Deirdre has three adult children and six grandchildren and is at present working as a Resource teacher in Northside Montessori School, Turramurra, NSW. She has presented both nationally and internationally at numerous conferences and consults as a parent coach and to Montessori schools both in Australia and overseas through her company Small Steps.
