Montessori is a growing method of teaching and we are looking for applicants who are passionate about Montessori education. At the heart of this approach is the belief that children are capable participants in the community and can take the lead on their learning with careful guidance from the trained educators. An interest in participating in the community is important to us – to build, grow and nurture our environment, as well as a love of the learning environment, both inside and out.

At both of our services successful candidates will be working under a qualified Montessori Educational Leader and will be offered training and professional development to support their understanding and practice to become a valuable member of the team.

We are seeking candidates based on their warmth, compassion and genuine love for young children.

Qualifications
- AMI or MWEI Diploma in Montessori education 3-6 years
- Qualifications recognised by ACECQA as an Early Childhood teacher or Diploma
- Understanding of EYLF and the National Quality Standards
- A University degree in a teaching related field is an advantage

All successful applicants must have, or be prepared to obtain prior to commencement:
- A current first aid certificate
- Accredited training in Asthma and Anaphylaxis
- Hold a current license
- Have a Working with Children Check clearance
- Certified supervisors certificate
