Education .... should no longer be thought of as imparting knowledge, but must take a new path that seeks to release the human potential within us all. Maria Montessori

This interactive Workshop is open to teachers and student teachers interested in teaching 0-3yrs using the methods and materials based on Dr Maria Montessori’s philosophy. Workshop will provide opportunities for gathering, sharing information and ideas to assist the child’s understanding of Adult as Prepared Environment for this age group.

The Montessori approach

• meets the tendency for repetition
• provides essential skills
• builds confidence
• assists children to independence
