CYCLE 2 TEACHER

- Established - kindergarten and primary school
- Beautiful rural area 40 minutes from the city
- Approx. 50 children
- Focus is on excellence in Montessori education

- We are looking for an energetic, passionate teacher who values children’s academic, emotional and spiritual growth.

- Montessori experience is essential; the successful teacher will offer a differentiated curriculum through the use of:
  - concrete materials
  - individual lesson plans
  - providing a nurturing environment for every child to reach their full potential

  Continued Montessori training is available.
