3-6 YRS PRACTICAL LIFE WORKSHOP - ADELAIDE
8, 15 & 22 MARCH 2014

Education .... should no longer be thought of as imparting knowledge, but must take a new path that seeks to release the human potential within us all. Maria Montessori

This interactive Workshop is open to teachers and student teachers interested in teaching 3-6yrs using the methods and materials based on Dr Maria Montessori’s philosophy. There will be detailed instruction and opportunities for practice with the specialized equipment which assists the child’s understanding of Practical Life for this age group. Sessions will also provide opportunities for gathering and sharing information and ideas.

The Montessori approach

• meets the tendency for repetition
• provides essential skills
• builds confidence
• assists children to independence

The Presenter will be Anna Golab.
Anna is coordinating a school’s special education support programme in addition to various other teaching commitments including teaching English to adult students and relief work in various Montessori preschool/day-care settings. Anna holds a Master’s Degree in Special Education.
