3-6 YRS MATHEMATICS WORKSHOP
PERTH  1, 2, 15 & 16 AUGUST 2015

Education .... should no longer be thought of as imparting knowledge, but must take a new path that seeks to release the human potential within us all. Maria Montessori

This interactive Workshop is open to teachers, classroom assistants, students and anyone interested in teaching 3-6yrs using the methods and materials based on Dr Maria Montessori’s philosophy. There will be detailed instruction and opportunities for practice with the specialized equipment which assists the child’s understanding of Mathematics for this age group. Sessions will also provide opportunities for gathering and sharing information and ideas.

The Montessori approach

• meets the tendency for repetition
• provides essential skills
• builds confidence
• assists children to independence

The presenter, Naomi Stuckey, is a MWEI 0-3 yrs Lecturer and Tutor. Naomi has a Graduate Diploma of Education from Murdoch University and a Bachelor of Social Science in Children Studies from Edith Cowan University. She has an AMI Diploma in Montessori 0-3 and a Montessori Institute Diploma for Montessori 3-6 years. She has worked with children for more than twenty years in varying contexts including Special Needs, Childcare and Montessori Schools.
