6-12 YRS GEOMETRY WORKSHOP
MELBOURNE  18, 19, 20 & 21 JANUARY 2016

Education .... should no longer be thought of as imparting knowledge, but must take a new path
that seeks to release the human potential within us all.  

Maria Montessori

This interactive Workshop is open to teachers, classroom assistants, students and anyone interested in
teaching 6-12yrs using the methods and materials based on Dr Maria Montessori’s philosophy. There will
be detailed instruction and opportunities for practice with the specialized equipment which assists the
child’s understanding of Geometry for this age group. Sessions will also provide opportunities for gathering
and sharing information and ideas.

The Montessori approach
• meets the tendency for repetition
• provides essential skills
• builds confidence
• assists children to independence

The Presenter will be Dianne Davis. Dianne has worked in the field of education for over 30 years which
included doing emergency relief at a Montessori School. Working in a Montessori environment inspired
her to undertake Montessori studies. She taught in a 9-12yrs Montessori classroom for 7 years and was
appointed Principal at Plenty Valley Montessori School, a position held and enjoyed for 10 years. Thereafter
she spent a further 3 years as Principal at Melbourne Montessori School. Dianne also does consultancy
work for several Montessori schools nationally, as well as for a number of smaller independent schools in
Melbourne. Dianne holds a Bachelor of Education, Diploma of Montessori 9-12 MWEI, Diploma of
Montessori Leadership AMS.
