

## NSW 3-5 YRS SENSORIAL EDUCATION WORKSHOP 21 & 22 February 2026

Aristotle is credited with saying, “Nothing exists in the intellect which does not first exist in the senses” (Standing, 2008, p.160).

This interactive Workshop is presented by the Montessori Institute which has offered external study courses in Australia since 1983. These workshops are open to teachers, classroom assistants, students, parents and anyone interested in working in a Montessori educational environment.

Gain knowledge and understanding of the importance of sensorial education to:

- brain development
- capabilities of concentration, self-discipline, precision, perseverance, patience, categorising, sorting and classifying
- gross and fine motor skills.

And the aims, features and presentations of the didactic materials.
