

0-3 YRS INDIRECT PREPARATION FOR MATHEMATICS WORKSHOP
ZOOM 29 JANUARY 2022

Education *should no longer be thought of as imparting knowledge, but must take a new path that seeks to release the human potential within us all.* Maria Montessori

This interactive Workshop is open to teachers, classroom assistants, students and anyone interested in working in a Montessori educational environment with children using the methods and materials based on Dr Maria Montessori's philosophy. There will be detailed instruction and opportunities for practice with the materials which assists the child's understanding of Mathematics for the 0-3yrs age group. Sessions will also provide opportunities for gathering and sharing information and ideas.

The Montessori approach

- ***meets the tendency for repetition***
- ***provides essential skills***
- ***builds confidence***
- ***assists children to independence***

The presenter, Meghan Hicks, holds a Bachelor of Education, majoring in Psychology. She also holds Montessori teaching qualifications at the 0-3, 3-6, 6-12 and 12-18 levels. She has taught at all levels in Montessori Schools in Australia, New Zealand, and in Africa. She is the founder of several community Montessori programs in the South West region of Western Australia. She holds a number of specialist qualifications in Literacy and Numeracy Therapy and runs a private practice in Educational Therapy for children and adults who struggle with basic literacy and numeracy skills. She is a dyslexia and dyscalculia specialist. Since completing her AMI 12-18 Diploma, she has stepped up her work within the schooling and homeschooling communities, to promote adolescent mental health and well-being. She regularly contributes to the Montessori movement by writing for a number of websites and print publications.
