

## 3-6 YRS MATHEMATICS WORKSHOP SYDNEY 5, 6, 7 & 8 JULY 2022

Education .... *should no longer be thought of as imparting knowledge, but must take a new path that seeks to release the human potential within us all.* Maria Montessori

This interactive Workshop is open to teachers, classroom assistants, students and anyone interested in working in a Montessori educational environment with children using the methods and materials based on Dr Maria Montessori's philosophy. There will be detailed instruction and opportunities for practice with the materials which assists the child's understanding of Mathematics for the 3-6yrs age group. Sessions will also provide opportunities for gathering and sharing information and ideas.

The Montessori approach

- ***meets the tendency for repetition***
- ***provides essential skills***
- ***builds confidence***
- ***assists children to independence***

The presenter, Carmen Parker, has been involved in education since 1984. Initially working with children 6-8 years of age in school education and support programs for children with learning difficulties, then for most of her career as a teacher in Montessori preschool and primary education. She has held the position of Principal/teacher at Montessori Schools offering preschool, long day care and primary education. Carmen has been active in a number of organisations aimed at supporting educational facilities to provide the best environment for the development of the children in their care. Her work has included being on the executive in many capacities of the boards of State and National Montessori organisations, working on NSW state committees for the development of policies, government regulations and pilot programs for early childhood education, editor of a Montessori National magazine as well as on planning committees for professional development programs for teachers through workshops and national and international conferences.
