

THE FIVE GREAT STORIES FORUM

Expressions of interest are sought in a forum exploring the Five Great Stories at the WA Museum Boola Bardip

A great opportunity for primary and adolescent teachers and assistants (or others just interested) to explore the GREAT STORIES in sequence and their basis for educational programmes.

By holding the day in the WA Museum Boola Bardip, participants would be based in a conference room at the museum, have access to the 'Origins' display at the museum and could:

- *Share each of the Five Great Stories and their own interpretations*
- *Investigate possible perspectives for deeper studies for different age groups and subject areas and the links to state curriculum*
- *Spend time exploring connections to the stories within the museum and share their findings and thoughts.*
